NOTICE TO THE MARKET

FIBRIA CELULOSE SA ("**FIBRIA**" or "**Company**") (B3: FIBR3 | NYSE: FBR), complementing the information contained in the Material Fact released on July 26, 2018, that Fibria is taking the arrangements to obtain the previous consents established in the financial instruments and the debts issuances executed by Fibria, under the corporate reorganization involving Fibria and Suzano Papel e Celulose SA ("Suzano"), object of the Material Fact released on March 16, 2018 ("Corporate Reorganization"), hereby informs its shareholders and the market in general that a premium of forty hundredths percent (0.40%) of the updated nominal value of the Agribusiness Receivables Certificates ("CRAs") backed by securities issued by Fibria to its holders will be paid, if the waiver of the rights to declare early maturity of CRAs arising from the Corporate Reorganization is approved, at General Meetings of CRAs holders ("AGCs") to be convened in due course.

The premium of forty hundredths percent (0.40%) will be calculated on the updated nominal value of the CRAs on the dates of AGCs approving the waiver of the rights to declare early maturity from those securities, to be paid on the date of the eventual consummation of the Corporate Reorganization to all CRAs holders of that series that approved such waiver in their respective AGCs. Fibria estimates that the total premium to be paid will be approximately twenty million reais (R\$20 million) if all the AGCs approve said waiver.

Fibria underlines, accordingly, by means of the release of the information in this Notice to the Market, its commitment to transparency with its shareholders and investors.
